

## **The Ultimate Fashion Experience**

Style Consultation - Hair Styling & Make Up  
Photo Shoot - Cinema Viewing

Your day will start with a creative consultation, followed by stunning make-up and an incredible contemporary hair style. Then step onto the photographic set to enjoy a fashion photo shoot capturing your fabulous look.

Your images will be airbrushed and photoshopped and then you will enjoy a cinema viewing of your images. At this point you can select which pictures you would like to purchase.

You will have a choice of portfolios as well as a wide range of unique quality frames to display your images.

You may select prints in sizes from A4 for a shelf sized print, or A3 for a nice wall size print.

You can select a "Print Your Own" DVD, which includes all the best images from the shoot and you can share on Facebook, your phone and print yourself

You can choose a portfolio book with up to 30 images in a hard cover coffee table book.

## Preparing for Your Shoot

- Make sure you come with clean hair with no products in it.
  - Please also come with no make-up on.
  - If you have sensitive skin or are allergic to any products please notify us in advance.
  - Do not use false tan before the session.
  - Please arrive promptly for your appointment
- 
- Bring different articles of clothing to ensure you get the best looks. Some ideas that are great are jeans, and a casual white shirt and something current and fashionable.
  - **Remember accessories can also make an outfit!**
  - You can never bring too many clothes
  - Don't forget shoes to match all combinations
  - Stockings and/or tights can help as well.
  - Try to avoid fussy colour and patterns, simple colours are best
  - If you are under 18 please make sure your parent or guardian comes with you.
  - If you want to bring a friend, special offers are available for you to enjoy your experience together.
