

Christmas, Birthday and Valentine Presents

Give your partner something special, bedroom portraits a speciality.

You choose the look, the clothes (or lack of them), have a few changes of clothes and styles.

The Shoot

We take the time you need, you will not be rushed – you control the pace of the shoot.

We will shoot anything, from discrete sensuality to erotica.

Discretion guaranteed and completely unshockable.

Full Retouching

Your selected prints are fully retouched for wrinkles, spots, tummy tucks etc,

You will look as young you feel – just like a supermodel.

Prints, Frames, Canvas, Books

You can choose final prints with or without frames. Canvas prints for that contemporary look, or even full hardback books.

And if you like all the pictures, there's the Print Your Own CD.

Your Photo Shoot Will Be Fun

You have no time limit on the session, we take the time you need, no hassle, no rush, you can relax into your shoot as you go.

Want to bring along some fun props – or would like us to arrange something – then just let us know.

You can bring your partner too! Either as chaperone and moral support or to include in your portraits.

Your MakeOver & Wardrobe

You can come prepared or treat yourself to a makeover with one of our specialists.

As for wardrobe, this is a great excuse to go shopping! You can bring as many clothes as you want.

Individual Creativity

You will tell us about the styles you want and where the portraits will be seen – we'll create your shoot around what you want.
